# EIGHT SHOCKS ROCK CITY IN FEW MINUTES

## Populace Placed Under Direct Orders Of Authorities

**By T. M. Metzger.**  
Associated Press Staff Writer.

Helena, Mont., Oct. 18.—Eight shocks of moderate intensity followed by a series of rapid successive quakes today in rapid succession today and the city council immediately declared a "state of emergency exists," placing the entire panic-stricken populace under orders of civic authorities.

The renewed shocks struck more sharply than the dozens which preceded them earlier today and whetted the fears of an already frightened citizenship.

Control of this capital city was lodged tonight in the hands of Commissioner of Public Safety A. M.

city council said its order placing the city entirely under control of municipal authorities virtually amounted to martial law. No military aid was asked, however.

Buildings cracked and jostled by last night's severe shock, and dangerously weakened by the 7-day series of lesser tremors were condemned as hazardous and occupants were ordered to evacuate.

A temporary relief station was hurriedly set up at the National Guard camp near Fort Harrison where 25 persons rushed for shelter.

representative of the American Red Cross, arrived early tonight and took command of relief activities. The federal emergency relief administration and the Montana National Guard assisted him.

Nurses were called to duty and a nurse kitchen was installed to feed the refugees in a cold, windy night.

Earlier well-dressed flappers were worried in the soil and gave the desolate city a bit of hope that the sub-strata force had spent itself, although light shocks came as dust fell.

records since 9:47 o'clock last night when the most violent of the week-long aftershocks hit the area, shaking three to five people. Just before 5 p. m. today a quake measured 4.7 on the Richter scale, rattling and swaying sensation. For other shocks of minor intensity came at irregular intervals since noon.

With federal relief funds available, the city today began removing debris and cracked cornice stones and loosening portions of buildings were removed.

In the Helena valley to the north, west a fissure was opened for 150 feet. It was two or three inches wide and more than three feet deep. Indianapolis City Engineer Oscar Bauson said, "The city is not in any danger."

A similar indignation in the east was discovered near the wrecked billion dollar high school. So others were reported to the east the city.

## Roads and Water

Things considered comparatively insignificant in civilized countries because they are so common, seem to be playing an important part in Italy's attempt to conquer Ethiopia. The country over which the Italian forces must travel is practically without roads. A modern motorized army needs good roads, and it has thus been necessary for the Italians to build them as they advance.

Water is another essential. Men working in hot climates require an abundance of water, but in Ethiopia it is scarce. The Italians have to transport it in large tanks, and it is rationed to the soldiers with great care. They are not allowed to drink from water-holes for fear of poisoning.

But the Ethiopians are also having their troubles. Scarcity is reported in some sections, and the Emperor has been asked to rush all the lemons, oranges and other scurvy resisting foods to his troops. The Italians will of course have the same difficulties when they reach regions where it is hard to obtain such supplies.

Thus roads, water and food become things of great moment in war. We in America who have pure water at the turn of a faucet, good food in the nearest grocery store, and good roads everywhere can well appreciate the blessings of peace. Let us strive to maintain our high standards of living and keep clear of those things which might lead to war and scarcity.

In fact an economy of scarcity is by no means in harmony with the abundant life we have always enjoyed in the United States. War has at

times compelled us to feel its rigors, but when the same hardships come in time of peace, it is evidence that somebody has been playing hob with the economic machinery of production and distribution.

## "President Hull"

Few people know it, but the mild-spoken southern gentleman, Cordell Hull of Tennessee, has been for the past week the nominal president of the United States. President Roosevelt has been cruising and is still aboard a U. S. man-of-war somewhere near the Canal Zone. Vice President Garner is somewhere in the Pacific bound for the Philippines.

Heretofore the vice president has remained within call of Washington when the president was away, but this time things could not be so arranged. The president keeps in touch with the capital by radio and knows what is going on at all times. But both heads of the government are out of the country, and by the law of succession the Secretary of State is next in line.

Mr. Hull has doubtless assumed no responsibility. Official Washington has a way of carrying on without the guidance of elective heads. All government routine is handled by men who are trained for public service and have adopted it as a career. If a question of policy arises the president can be reached immediately, which was not the case until the perfection of radio.

## Outside the Law

Some of the queerest situations in the history of the criminal courts have been recorded as a result of Uncle Sam's campaign against men who fail to pay their income taxes.

The way in which such men as Al Capone, who were never touched for their various flagrant law violations, were finally imprisoned because they did not pay taxes on their illegal earnings, is still a matter of recent memory. And now the trial of Abe Shushan, former Huey Long aide, in New Orleans, has added another gem.

Shushan was accused of evading income taxes. His defense hinged on the contention that he obtained his money wrongfully, hence had no legal title to it and was not responsible for income taxes on it.

Some day, historians are going to find these things very, very hard to understand.

## Tradition Must Stay

The way old traditions hang on in a monarchy long after they have lost all reason for existence was perfectly illustrated when a son was born to the Duke and Duchess of Kent. The duke is the youngest son of the king, and the new baby is seventh in line for succession to the British throne—and so, according to ancient custom, Sir John Simon, home secretary, had to be present at the baby's birth.

The nation, in other words, must be satisfied, through the eyes of one of its own representatives, that any

person in line for the crown is actually of the royal blood.

Centuries ago, such a precaution was natural. The need for it must have vanished long, long ago—but a monarchy must prize its old traditions and so England keeps this odd custom alive.

## Behind The Scenes In Washington

Hoover for Hoover in 1936

There's Example of Cleveland to Back Him... But Vandenberg Looms as GOP's Best Bet... Politicians Fear Landon's Liberalism... And Colonel Knox Hasn't Proved His Popularity... Winter May Bring New Lineup.

BY RODNEY DUTCHER  
Journal and Courier Washington Correspondent

Washington—There are two journalistic theories about Mr. Hoover. One is that he seeks re-nomination by the Republicans.

The other is that he has neither thought nor expectation of re-nomination, but seeks only an influential voice in party policy and selection of the candidates.

The answer is this: Hoover in recent months has summoned to him certain old friends, usually ex-officials here, who still exert some political influence in their home states. He has asked them point-blank whether he could obtain their state delegations for the next G.O.P. convention.

Frequently, one hears, the consultants have expressed polite doubts, whereupon Mr. Hoover has been known to pull out a list of possible nominees and then, carefully outlining the disqualifications of each, cross the names off one by one until there was left only that of good old Herbert himself.

Will It Be the Same Story?

Reminded that party politicians overwhelmingly oppose his nomination, Mr. Hoover replies that the protection of the National Youth Administration was a call in Winchester Friday. Mr. Gasaway called at the local relief office and upon County Superintendent of Schools P. L. Blansett. He discussed the possibility of projects in this county for the betterment of young people between the ages of 16 and 25. There are 19 students of the schools of the county who are receiving school aid through this agency at the present time.

News Notes  
Mrs. S. G. Smith left Friday afternoon for Kansas City where she will visit her daughter, Mrs. T. H. Ashford. Miss Virginia Worrall entertained a number of her high school classmates at a party at the Worrall home Friday evening.

Leo T. Boylan of Warrensburg, Mo., is visiting here.

Mrs. N. T. Lashmet and son, Edwin, of Chicago, left Friday for Chicago where Mr. Lashmet will join his wife, who has been visiting relatives there.

strated ability. Colonel Knox has never had a chance to demonstrate his popular appeal at the polls.

Leary of Liberal Landon  
Landon, according to shrewd men who have been out to look him over, lives up to much of the current ballyhoo for him. While his stature scarcely overtops the Washington monument, it appears to be at least equal to that of Coolidge or Harding.

He is described as a man who would accept much of the liberal program Roosevelt has advanced to date—such as AAA, the power policy, banking reform, TVA, and the labor dispute act—but would fight for a "New Deal at bargain rates."

But it is this liberalism of Landon's which already causes eastern lenders to look askance at him and it's said to be very doubtful whether Landon would make the concessions to them which they would demand in return for support.

Also, the boast that Kansas state and local taxes under the personally and publicly parsimonious Landon have been cut from \$127,000,000 to \$97,000,000 can be riddled by citation of New Deal millions—relief, benefit checks, public works and so on—which have poured into Kansas and made such a reduction possible. Other governors have similar records.

Vote Getter, That's All  
That leaves, for the moment, Vandenberg, who has been absent in Europe on a fact-finding mission. Vandenberg has been the party's outstanding vote-getter in a year of New Deal triumphs. Although he voted against AAA and the Wagner bill, which doesn't increase his availability, he is shrewd. He has a tinge of liberalism and probably would play ball with the eastern bosses.

Such is the autumnal daze. The winter dope may be entirely different. (Copyright, 1935, NEA Service, Inc.)

## HEN STOLEN FIVE TIMES RIVALS CAT FOR CHARMED LIFE

Jerseyville—"Call off the police hunt," ordered Edward Sunderland, walking into the office of Sheriff Darr Friday, "Betsy is back again."

Betsy is a white hen belonging to Sunderland and this particular fowl has been stolen five times and each time has been able to elude the big bad thief and get back to the old home roost.

A week ago Betsy was stolen for the fifth time from the roost at the Sunderland home, and her disappearance was reported to the local police and sheriff's office.

Tuesday night Betsy again appeared on the roost in the Sunderland henhouse, after her owner had conceded her death by the pressed chicken or chicken and dumplings route.

## Kind Neighbors Cut 20 Acres of Corn

Friends Give Mike Welsh a Lift With His Work While He's Ill

Carrying into action the Biblical command, "Thou shalt love thy neighbor," a number of friends of Mike Welsh went to his home this week where he is confined by illness, and during the day cut twenty acres of corn. While the men worked in the field, the women of the neighborhood prepared dinner.

Mr. Welsh is very thankful for the neighborly act. He has been ill for about eight weeks, and is now improving in condition.

The men who worked in the corn field were John Welsh, John Whalen, Carl Burmeister, Mart Edwards, Henry Finch, Mike McGrath, Edward O'Meara, Clarence Tribble, Leonard Mandeville and Myles Fitzpatrick. Women assisting with the dinner were Mrs. William McGrath, Mrs. Myles Fitzpatrick, Mrs. Edward O'Meara, and Miss Birdie O'Meara.

## THE Screen REPORTER

PLAYING TODAY WHAT WHEN WHERE

FOX ILLINOIS now playing, ends Tuesday. Clark Gable in Jack London's famous novel "CALL OF THE WILD."

FOX MAJESTIC today and Monday. Laurel and Hardy in "BONNIE SCOTLAND."

CALL OF THE WILD

Now playing at the FOX ILLINOIS. When a picture is held over for extra playing time in city after city it's a pretty good indication that the picture is out of the ordinary... That has been the record of "CALL OF THE WILD." We don't have to tell you that "Call of the Wild" was Jack London's greatest story... that it is a tale of the Klondike gold rush... that Buck, the dog hero, has become a canine immortal... but we do want to point out that the producers have done a marvelous piece of work in adapting the story to the screen... A great cast: Clark Gable, Jack Oakie, Reginald Owen, Sidney Toler, Loretta Young... a great dog, especially trained for his role... and now valued at \$25,000... an unforgettable, rugged, yet tender story... you will be as enthusiastic as we are when you see it... Tickets today go to Clifton Davis, R. R. 6 Jacksonville.

It's a full length feature comedy with Laurel and Hardy in kilts. In the picture "BONNIE SCOTLAND," which opens at the FOX MAJESTIC for two days, they are MacLaurel and MacHardy to you... They play the bagpipes and give the Highland Lassies a fling. With them are June Lang and William Janney. On the stage as an added attraction is Jack Owens (Billy Sunshine Radio Star. Tickets today for O. H. Weider, 238 West Chambers Street.

## ANOTHER STAR

This will introduce Eleanor Powell Metro's latest find... and what I mean she is a find. Miss Powell is rated as the greatest dancer of the stage and screen of today. You will see her in "THE BROADWAY MELODY OF 1936" which opens at the FOX ILLINOIS next Sunday. In the cast are Jack Benny, Robert Taylor, Sid Silvers, Una Merkel and many others.

### COURT ADMITS LOCAL MAN TO PROBATION

James and Leonard Nunes of Girard, formerly of Jacksonville, were sentenced to the Southern Illinois penitentiary at Menard, when they pleaded guilty at Carlinville to theft of more than \$100 worth of wool. Harry Mitchell of Jacksonville, who

was indicted with them, was admitted to probation.

The wool theft occurred at a farm near Girard several months ago. The stolen wool later was found in Morgan county by the sheriff's force, the sale having been made at Murrayville.

Among the Lynnville visitors in Jacksonville yesterday was Fred Riggs. Kenneth Keplinger of Waverly was among the Saturday callers here.

### Oaklawn Notes

Note—These explanatory comments on some of the work of the Morgan County Tuberculosis Sanatorium have been approved for publication by the President of the Morgan County Medical Society. As stated in the annual report of the Board of Trustees of the Sanatorium it is a declared principle of the Board to work with the medical profession of the County and not in any way to enter into competition with any doctor, hospital or laboratory.

There are several things to be considered in the line of policies in a County Tuberculosis Sanatorium. As in all medical problems the matter of early diagnosis calls for special attention. Two important questions are policies to be followed in the care of early cases, policies to be followed in the care of more advanced ones. From the standpoint of prevention the study of those in contact with known cases may save some of these citizens from later becoming active themselves.

The follow up care of persons who have been treated at the Sanatorium lessens the likelihood of recurrence. New procedures in treatment must be added as their value becomes known. Equipment for diagnosis, treatment and general care must be applied. Facilities for entertainment, diversion and recreation are essential. Training of personnel for the special type of care is needed.

After all most things come down to a matter of dollars and cents and so financial policies are of fundamental importance. These various headings will be taken up in a series of short notes describing the attitudes generally accepted as worth while and which have been applied at Oaklawn.

### SET OCT. 27 AS DATE FOR MARKER SERVICES

Daughters of 1812 have announced that the unveiling of a marker at the grave of William Roberts, a sergeant in the War of 1812, will take place Sunday, October 27, at a country cemetery four miles southwest of Franklin. The cemetery is located on the George W. Seymour farm near the Criswell school.

Officers of the Daughters of 1812 chapter here and descendants of the patriot will have charge of the ceremonies.

### Jersey County Men Bag Colorado Deer

Two Return from Hunt on Ranch, Bringing Pair of Splendid Bucks

Jerseyville—R. Leo Smith and T. W. Kirby Jr., of Jerseyville, returned Thursday evening from a ten day deer hunt on the Harmonica ranch, ninety miles from Denver. They brought two fine buck deer, one of which weighed better than two hundred pounds.

One of the deer was a two prong buck and the other boasted five prongs. The animals were bagged by the hunters on the ranch which is owned by Mrs. J. C. Miller, an aunt of Smith.

The ranch covers a large acreage and furnishes a range for thousands of white face cattle. The locality is considered a hunter's paradise and is still well stocked with deer. The streams in the vicinity abound with game fish.

**Marquette Park Quarry**  
Plans have been perfected this week for quarrying rock for road materials in the Marquette Park area, it was announced by Lieut. M. C. Hamilton of Camp Graham, camp commander.

An inexhaustible supply of limestone is available for crushing in the park area. Help for the quarry will be drawn from the personnel of Camp Graham which at the present time has one hundred seventy-four enrollees.

The quarry was formally opened Friday afternoon at three thirty o'clock. Reports of the abandonment of Camp Graham the first of

November are still unverified.

**Scarlet Fever Case**  
Eunice Hanbaum, seven year old daughter of Rev. and Mrs. W. L. Hanbaum of this city is confined to her home suffering an attack of scarlet fever. While the home is under quarantine Rev. Hanbaum will reside with Rev. and Mrs. Reuben Hathaway so there will be no interruption in the services at the Methodist church of which he is pastor.

Rev. Hanbaum motored to Champaign Friday afternoon to bring his sister, Mrs. Bertha Rusty to Jerseyville to assist in the care of the little girl.

### DATES FOR CONCERT SERIES ANNOUNCED BY LOCAL PRESIDENT

The Jacksonville Cooperative Concert association through the president, Mrs. A. R. Gregory, and the membership chairman, Mrs. John R. Robertson, announces the program rates and artists as scheduled for the coming months.

November 8—Kneisel Trio.  
January 15—Rosemarie Brancato, soprano.  
February 26—Russian Imperial Singers.

The concerts will be held in the High school auditorium.

Miss Fitch in her presentation of the cooperative concert plan assured the members that the artists appearing on the programs are of the highest rank, and the local committee is enthusiastic over the fine numbers which will be presented.

### Council to Inspect Probable Sites for New Auxiliary Lake

Tour Will Be Made Sunday To Three Possible Places for Locating Dam

This morning members of the city council will be taken on a tour of three probable sites for the proposed new city reservoir. The sites have been selected by H. L. Caldwell, engineer, as the most likely places where a reservoir could be formed that would furnish adequate auxiliary water storage for the city.

In addition to members of the council, City Engineer Kenneth Stapleton and Plant Superintendent George Stoldt will take the trip which will be placed under the guidance of Mr. Caldwell and Charles Kahl. The sites to be visited are located within a radius of eight or ten miles of the city to the south and southeast.

One spot for the proposed dam is a half mile south of Davis Switch and a quarter mile east of the Alton railroad on the Big Sandy. Another is on the north branch of Mauvalsterre creek north of Arnold Station. A third site is located on the south branch of the

On account of the shortness of time for getting the project under way a selection of a site must be made at once, in order that the ordinance may be framed and passed by the council.

## NEW FORD DISPLAY

## THE NEW FORD V-8 FOR 1936

Distinguished new beauty of line has been combined with the outstanding comfort, safety and performance that have put the Ford V-8 in a class by itself. The car that led all others in 1935 has been made still better for the new year. It has been proved by the past and improved for the future. The New Ford provides every modern feature, with the assurance of satisfactory service. There are no experiments in it—nothing that has not been tried and tested. This means a great deal to motorists—especially in mechanical construction and safety. . . . The Ford gives you distinctly better performance because of its V-8 engine—it stands out also because it is such a safe car. The Steel Body, Safety Glass all around and Super-Safety Brakes provide exceptional security. . . . The Ford V-8 for 1936 is the finest, safest, most reliable Ford ever built.

**New Modern Lines**—Now longer hood extends gracefully over the distinctive new radiator grille, accentuating the length of the car. New larger fenders, with a wide flare, contribute to the imposing front-end appearance. Horns are concealed behind circular grilles beneath the headlamps. New hood louvers. Steel wheels of entirely new design. Rich, enduring upholstery. Attractive appointments.

**New Easier Steering**—Steering gear ratio increased. Steering gear sector shaft mounted on roller bearings.

**New Gear Shifting**—Easier, quicker, smoother. Shorter distance for gear shift lever to travel. Quiet shifting. Quiet running in all speeds because of silent helical gears.

**Super-Safety Brakes**—Safest, most reliable type of brakes under all driving conditions. Mechanical brakes of the same proved design as have been used for years on America's finest cars. Extra large braking area. Easy to apply.

**Welded Steel Bodies**—The Ford V-8 has a genuine all-steel body structure—electrically welded for still greater strength.

**Safety Glass Throughout**—All Ford body types are equipped with Safety Glass throughout at no extra cost.

**V-8 Engine**—Fine-car power, speed, acceleration and smoothness. The reliability of the Ford V-8 engine has been proved in actual service by more than two million motorists—over a million Ford V-8s purchased in the last year. Figures show that the Ford V-8 is the most economical Ford ever built. Every year the Ford costs less to run.

**No "Breaking In"**—The Ford V-8 engine is made to such high standards of precision that it requires no breaking in. You can drive it 60 miles an hour the first day.

**Efficient Cooling**—The cooling system of the New Ford V-8 for 1936 circulates 5 1/2 gallons of water through a new, larger radiator. Natural thermo-siphon action is assisted by two centrifugal water pumps. New style hood louvers permit rapid flow of air around the engine.

**Bodies Insulated for Quiet**—The floor, dash and body panels of the Ford V-8 for 1936 are insulated with new materials that absorb and deaden sound.

**Center-Poise Riding**—All passengers ride near the center of the car—cradled between the soft, flexible springs. Exceptional comfort on every type of road. The Ford V-8 gives a front-seat ride to back-seat riders.

**Unusual Body Room**—Short, compact Ford V-8 engine takes up less space under the hood and permits more of the car's length to be used by passengers. There is increased room in the 1936 Ford Sedans because the rear quarter trim is recessed above the new style arm rests.

### LOW FORD V-8 PRICES

## ALUMNI QUARTERLY DEVOTED TO NEWS OF I.C. HOMECOMING

The October issue of the Alumni Quarterly of Illinois College, was distributed Friday. It is a Homecoming number with the frontispiece—the classic gateway. It has been announced by Mrs. C. H. Rammeikamp that while the publication is primarily for alumni, this issue contains many articles of interest to all Illinois College students and friends of the school.

Among the contributors to the Homecoming issue, as this one is called, are Dr. Egerton L. Crispin, '02, and Miss Bernice Wheeler of the class of '10. Dr. Crispin will be remembered for his gift of rare books now on display in the Archives Room of the Library.

The Athletics division of the book is managed by Ernest Savage, sports editor of the Jacksonville Journal and Courier, and contains in summary the athletic news of the campus. A section is also given over to the news of the Literary Societies and to notes on members from the various classes of the alumni.

In this edition a double page questionnaire is being sent out in an attempt to gather material for a new Alumni Directory. The last Directory published is so outdated by recent developments that it is of comparatively little value and efforts will be made to bring it up to date.

# Diphtheria Serum Given to Children

## Health Work Completed in Two Schools Recently; Contagion Scarce

Immunization of children of school and pre-school age in several rural communities of the county has been completed during the last few weeks by public health nurses and physicians. Diphtheria anti-toxins have been administered to a large number of children.

Twelve children of pre-school age were inoculated at Duncan Springs school, northwest of Jacksonville. Thirty-two boys and girls underwent similar treatment at Harmony school, southwest of Waverly. The one dose serum provided by the State Department of Health was used.

Morgan county is now remarkably free from contagion, health nurses report. There is but one case of scarlet fever, that being in the home of Silas Hawkins, where his nine year old son is under quarantine.

## CASS COUNTY MAIL CARRIER'S SAVINGS STOLEN FROM CACHE

Virginia—Virginia rural mail carrier, Elmer Carlson, found his vacation savings gone this week and is out looking for the thief who took about \$40 from a box in the basement of his home.

Carlson had a habit of putting aside a certain amount of cash each month from which he would buy his gasoline. At the end of the month if he had any cash left over he put it in a box in his basement to accumulate till the end of a year and use it for vacation expense.

He found this week that his money had been stolen. Finger prints on the box are being studied and in the meantime, Carlson says, that if the person who took the money wishes to return it in some manner, no questions will be asked.

## MAGAZINE RECOGNIZES WORK OF MISS CRUM

The September issue of the Journal of Business Education under the caption "Commercial Education at MacMurray College" has published an article concerning the high standard of the work of Miss Annabel Crum, who has charge of this department at the college.

In connection with the article appears a picture of Miss Crum and interest is expressed for future plans at the college in the business department.

Among callers in this vicinity from Virginia was Mrs. Clarence Hudson.

# Notre Dame's Fighting Irish Win From Pittsburgh Nine To Six

## Michigan Trims Wisconsin 20-12

Nashville, Wis., Oct. 19.—Employing a brilliant aerial attack in the first half, Michigan ran up three touchdowns which proved too great a handicap for Wisconsin to overcome and handed the Badgers their fourth successive defeat by a 20-12 score here today.

Ed Renner and Chris Everhardus took turns in emulating Benny Friedman whose passing was the major factor in Michigan's victory in the last

## Wisconsin-Michigan contest at Camp Randall Stadium 10 years ago. Renner heaved the ball for two touchdowns while Everhardus' throwing arm accounted for one.

The Badgers came on in the second half looking like a different team and outplayed the enemy for the remainder of the game.

Michigan's first touchdown followed a drive from Wisconsin's 45-yard line. Renner threw three passes during the advance the last going 10 yards to smother over the goal line.

In quick order Michigan had another touchdown, culminating a drive from midfield with a pass from Everhardus on the 20-yard line. Renner threw a 20-yard pass to Everhardus late in the second period to count Michigan's final touchdown. Everhardus took three steps over the goal line.

Mixing a few running plays with passes Wisconsin drove 71 yards in the third period for its first touchdown. Clarence Tommerson threw a series of passes that netted 64 yards and on fourth down John Wilson, sophomore substitute halfback, skirted right end for two yards and a touchdown.

Wilson scored the Badgers' second touchdown in the closing minutes of the game.

The statistics showed Wisconsin completed 16 out of 33 passes as compared with Michigan's six out of nine attempts. Wisconsin gained 14 first downs and Michigan 9. Michigan outgained Wisconsin from scrimmage 87 yards to 61.

## Roodhouse Defeats Winchester 40-13

### Hard Hitting Railroaders Mark Up Third Win In Valley League

Winchester, Oct. 19.—Roodhouse's high powered Railroaders outscored an outweighted but hard fighting Winchester high team here this afternoon 40-13 to chalk up their third straight win in the Illinois Valley conference. Despite the large margin of victory, the Wildcats made the game a battle all the way with a forward passing attack that clicked on fifty per cent of the attempts, and twice put over touchdowns.

Led by "Sparky" McAdams, who unteeled several substantial gains around the Winchester ends, and who scored four of the six Roodhouse touchdowns, the Railroaders brushed aside the lighter Winchester lads to take a 30-0 lead during the first half. They kept their locomotive rolling under a full head of steam during the third quarter to get another touchdown, and the added their sixth on the last play of the final quarter.

Winchester, however, harassed the Railroaders with an aerial bombardment that clicked 15 out of 30 times, and several times carried the ball into Roodhouse territory. Once in the third quarter it worked for a touchdown when McLaughlin tossed one to Hornbeck for a 40 yard gain, and again in the final quarter it worked for another touchdown when McLaughlin pitched one to Jones which was ruled complete in the end zone.

Roodhouse rolled up 16 first downs to eight for the Wildcats.

The line-ups:

Roodhouse	Pos.	Winchester
Barton	L.E.	Johns
L. Ballard	L.T.	Coon
Hannaford	L.G.	Allan
Worcester	C.	Behl
Sitton	R.G.	Kirkpatrick

## Another Montgomery Stars

The Rose Bowl game of 1935 may feature the gridiron antics of another Montgomery. Duke University, well on the way to finishing on top in the south, is led by Harry Montgomery, quarterback and brother of Cliff, former Columbia signal caller who led his team to a 7-0 victory over Stanford in the New Year's Day 1934 classic. Here is the younger Montgomery following behind the interference of Co-Captain Herman Snyder.

## Ohio State Beats Northwestern 28-7

By Fritz Howell,  
Associated Press Sports Writer.

Columbus, O., Oct. 19.—(P)—Ohio State University hurled the first obstacle today in the path it hopes will lead to the Western Conference championship, by upsetting a surprisingly rugged Northwestern eleven 28-7.

The score fails to tell the story of the Northwestern efforts, for several times the Wildcats clawed their way into scoring territory, only to be frustrated by a fumble, penalty or an unbreakable Buckeye line.

Coach Francis A. Schmidt of Ohio used 31 players, and he needed all of them to stave off the repeated threats of the invaders.

The Ohioans hopped into the lead early, scoring a pair of touchdowns in the first period on passes from "Tippy" Dye to Dick Heekin and Frank Boucher, the starting halfbacks.

The third Ohio touchdown was a personal masterpiece manufactured by "Jumping Joe" Williams, sensational sophomore from Barborton, who started his touchdown parade with a 23 yard jaunt around right end, just as the first period closed. On the next play he cut through tackle for five. Johnny Bettbridge helped out with a jaunt to the 35, then Joe put the ball under his arm and went over right tackle for the 35 yards and the touchdown.

Northwestern gets its first chance late in the second period. Heap, stellar halfback, took Boucher's punt on his 30 and romped right back to the 26, and then followed with a 24-yard toss to Kovatch on the two yard line. Ohio held for three downs under the shadow of the goal post, but on the fourth Heap took a lateral from Duvall and went over the left side of Ohio's line standing up for the score.

Through the third quarter, the teams battled on even terms, neither being able to get deep into the other's territory.

Ohio's last marker came in the final period, the Bucks taking the ball on their own 32 and never relinquishing it until it was over the last white line.

Score by periods:

Ohio State	9	7	0	7-28
Northwestern	0	7	0	7-7

Ohio State scoring: Touchdowns—Meekin, Boucher, Williams, Antenucci. Points from goal after touchdowns—Beltz 2, Busich 2 (placekicks).

Northwestern scoring: Touchdown—Heap. Point from goal after touchdown—Duvall.

Officials—Referee, Lourie (Princeton); umpire, Hedges (Dartmouth); field judge, Morton (Michigan); headlinesman, Gardiner (Illinois).

**Millikin Captures Second Loop Battle**

Decatur, Ill., Oct. 19.—(P)—Millikin scored its second Illinois intercollegiate conference win today, vanquishing Illinois Wesleyan, 13 to 7, before 3,600 homecoming fans.

Roehkes counted the first Millikin touchdown in the first period, pushing across from the two yard line after a 35-yard pass from Giralts to Dixon had paved the way. In the last quarter, Giralts threw a 20-yard pass to Allan who caught the ball in the end zone.

Wesleyan staged a 63-yard last period drive, climaxed by a 20-yard pass from Cochrane to Hawkins, for its lone counter.

**BATTLE TO TIE**

Elmhurst, Ill., Oct. 19.—(P)—Elmhurst and Wheaton battled to a 0-0 tie today in an Illinois intercollegiate conference game. Elmhurst, entering the game as favorite, committed several costly fumbles and was unable to pierce the Wheaton forward wall when in scoring position.

**White Hall Defeats Old Rival By 7-0**

**Pile Up 14 First Downs To Three For Visitors In Bumping Leaders**

White Hall, Oct. 19.—A fast charging White Hall line that perforated the Greenfield forward wall consistently all afternoon, bored holes through which White Hall halfbacks tore for 14 first downs and a 7 to 0 victory here today, toppling Greenfield from the top of the conference ranking, and installing themselves in third place.

A 50 yard drive that was checked just inside the Greenfield 20 yard line, followed by a 20 yard drive after recovering a fumble, gave White Hall its winning margin in the first quarter of the game, Fair banging over for the touchdown on a fourth down from the five inch line, and then hitting the same place for the point after touchdown.

It was White Hall's game all the way, Greenfield failing to show a ground gaining attack, and failing utterly through the air. White Hall kept the ball in its possession as much as possible after scoring its touchdown, not risking interceptions on forward passes.

White Hall rolled up 239 yards from scrimmage, keeping the ball in Greenfield territory most of the time. Greenfield gained 37 yards from scrimmage, and made three first downs. Greenfield got inside the White Hall 30 yard line once when the team recovered a White Hall fumble, but the White Hall line stiffened and stopped the threat.

The line-ups:

Greenfield	Pos.	White Hall
Tate	L.E.	Meyer
Greenfield	L.T.	Dawdy
Kirbach	L.G.	Westphal
Davenport	C.	Marshall
Shannon	R.G.	Erb
Jones	R.T.	Hudson
Fansler	R.E.	King
Ford	Q.B.	Woodard
Haven	L.H.	Wendell
Cole	R.H.	Wyatt
Weisner	F.B.	Fair

Score by periods:

Greenfield	0	0	0	0-0
White Hall	7	0	0	7-7

Substitutions—Greenfield, Green, White Hall, Norris, Moulton, Schier.

Scoring—White Hall touchdown, Fair. Point after touchdown—Fair.

Officials—Marshall, Carlinville, referee; Gellerman, Carlinville, umpire; Savage, Jacksonville, headlinesman.

Where Oklahoma's Jim Craig, heralded as West Point's new triple threat star, failed before the crowd of 27,000 that revelled in the sun and informality of Michie Stadium, a hero's memorial high in the craggs above the plains. Meyer rolled back all over the place.

Called into action at the start of the second period, when Army was going exactly nowhere in stumbling combat, Meyer with the Crimson, Meyer, son of a Fort Sheridan colonel who once captained the baseball team here, picked the Cadet huskies up by the nape of their necks and set them right on their way. He was the whole show in the second and third period touchdowns that gave Army the first victory it ever has scored at home over Harvard.

Replacing Craig at the start of the second period, Meyer's 180 pounds hurling through holes, his arm pitching perfect strikes, Monk set out for the Harvard goal 65 yards away and never stopped until Bill Grohs, his quarterback, plunged the last yard through center for Army's first touchdown.

Meyer launched the second and last Army scoring drive in the third from his own 30 with a 25-yard dash off tackle, and with the aid of only one eight yard pass and two plunges by Grohs, brought the ball to Harvard's nine. He stepped back there and pitched a perfect touchdown pass into the arms of Grove, ending his major work for the day.

So weak was Harvard offensively that the Crimson backs netted only four yards of running gains all afternoon. Harvard barely got past Army's 50-yard line twice in the first quarter, once in the second quarter when a pass from George Ford to Fred Moseley carried to the Cadet 20, and not at all in the second half. Army made ten first downs to Harvard's four, gained 173 yards rushing, and completed five of ten passes.

Repeating Al Heasberg of Albany, a sophomore ball-carrier circled Navy's right end for the Eli touchdown as the climax of a 42-yard drive, involving only a half dozen plays, but the decisive extra point was booted by a substitute lineman, Henry Gardner, Jr. of Winnetka, Ill.

Gardner, a specialist, was sent into the game just for this one play. It paid dividends when Irwin Fike, Navy end, failed to get the ball over the cross-bar with his place-kick in the third period following a 58-yard touchdown drive led by fullback John Schmidt.

Navy's powerful attack, featuring two complete teams, outscored the Eli. The Middies gained eight first downs to Yale's five, but were outplayed and outsmarted by the speedier Eli at nearly every critical point. Three times Navy's scoring threats were abruptly ended by intercepted passes. Twice Jerry Roscoe, Yale's brisk quarterback, plucked Navy passes from the air, while Bernie Rankin grabbed a third and galloped 68 yards for the day's longest run.

Yale's third straight conquest of the 1935 season and Navy's first setback was marked by extraordinary courage and pagantry. Although they lost the game, the brigade of Midshipmen captured the crowd's fancy by a spectacular show between the halves.

# J. H. S. And Jerseyville Fight To Tie; Trinity Humbles Tigers

## Crimson Offense Outgains Foes, But Jerseyville Stops Thrusts Near Pay-Off Line

standing backward all over the field in the first quarter, and then reversing the situation during the second half, Jacksonville high outgained but couldn't score on Jerseyville high here Saturday afternoon, and the two teams quit at the end of 48 minutes of play with a scoreless tie.

The Crimson had their hands on the ball just once during the first quarter of the almost weird game, and that was when they took the ball away from Jerseyville on the two yard line and promptly kicked it out into the middle of the field. Jerseyville took the opening kick off near the middle of the field, and with penalties helping them over the tough spots, barged their way so deep into Crimson territory that only a goal line stand saved them from being scored upon.

Then Jerseyville took its turn backing up, as the Crimson offense began to click consistently. Once the Crimson pushed to the 19 yard line, had a pass intercepted on Jerseyville's 11 yard line to stop another promising

carrier of considerable ability, snaking through the broken field and driving hard through the Jerseyville line. During the final quarter Ranson carried the ball so much of the time that some of his effectiveness appeared to be lost, but he was always causing plenty of trouble.

Allen led the Jerseyville charge during the first quarter, but the Crimson camped on his trail from then until the finish of the game, and he was successfully bottled up.

Allen's first bit of work made him a marked man. He helped his mates keep in the running for the first two first downs, when Jacksonville penalties put the ball on the Crimson 30, and then Shaw and Saxby took four shots at the line to make another first down. Each team suffered a five yard set-back during the next series, but Gross fired a pass good for 21 yards to Saxby on the Crimson 7 to keep the ball moving forward. Shaw made two yards on the first play, but a Jacksonville off-side put the ball on the one yard line. A plunge, a fumble and another plunge failed to make that needed yard.

Opening another assault, at the start of the second quarter, Allen made a first down on two plunges, and then two Jerseyville passes fell incomplete to stop the threat, the last Jerseyville made.

The Crimson took their turn, when the second half opened. Ranson and Davis making a first down after the first kick off on their own 41. Another followed on the Jerseyville 45, Davis made 11 yards, Ranson 11 yards, and then the Crimson reached the Jerseyville 19. One pass fell incomplete and the fourth down attempt failed to get the needed yards as the Crimson lost the ball on the 19 yard line.

Still in Jerseyville territory, the Crimson resorted to passes and Allen intercepted one of his own 11 to stop another thrust. The kick-off still left the ball in Jerseyville territory and after making two first downs, the Crimson completed a pass. Leach to Frank, that was ruled incomplete because of its being caught out of bounds, and the Crimson lost the ball on the 20.

Leach intercepted a Jerseyville pass on the following play, and the Crimson reeled off one first down to the Jerseyville 15, and completed a forward pass to Hamilton on the Jerseyville four. Ranson took the ball on the first play that was stopped near the line of scrimmage.

## Both Teams Throw Forwards But Trinity Uncorks Many New Kinks to Win 24 to 6

Bloomington, Oct. 19.—Forward passes flew all over the field here today, and when the rain of footballs ceased, Trinity high had registered a 24 to 6 victory over Illinois School for the Deaf in an exciting and stirring exhibition of football as has been seen here in many a day.

Straight forward passes were passed with the Trinity ball hawks as they tossed in at least one lateral on all of their scoring plays, and resorted to double and triple laterals as they scored four times against a sky weary bunch of Tigers.

Outgained in first downs 12 to 10, Trinity accounted for its point margin over the Tigers through the trusty arm of Luke Gleason, who pitched passes with startling accuracy.

Aided and abetted by Yeagle and Lacey, who pounded their way into I. S. D. territory immediately after the opening kick-off, Trinity yanked a double lateral followed by a forward pass out of the bag to register a touchdown from the 20 yard line. Gleason always turned up on the throwing end of the passes, heaving the one for the first marker to Lacey.

**Score Second Quickly**  
Trinity was back over the Tiger goal almost before the shock of the first touchdown wore away. Wildrich jumbled the following kick-off on his own 23, and Stoldt recovering for the local parochials, Trinity used just one lateral to get the ball to Gleason on the following pass, Gleason flinging the ball to Sweeney who was downed on the three yard line. T. Leeson plunged the remaining three yards for the marker.

That ended the throwing for awhile, however, for the Tigers took the next kick-off and set sail from their own 35, circling the ends and smacking the tackles with reverses and double reverses to carry the ball to the nine yard line at the end of the first quarter. Going into the air, the Tigers scored on the first play of the second period when Zehnder fired a pass

to Arman for the touchdown. They followed that drive with another that was checked on the nine yard line by the gun sounding the close of the first half.

After a defensive third quarter during which each team played for breaks that didn't come, the Tigers began firing their aerials in an effort to cut down the handicap. The aerials were boomerangs, Gleason intercepting one near the middle of the field just as the fourth quarter began.

Gleason took a lateral and then shot a forward to McAmbridge for a 30 yard gain, and then scored when he tossed a forward pass to Sweeney, raced up the field and took a lateral in return and went on over the goal line. The final touchdown was the result of the same sort of play, Lacey intercepting an I.S.D. pass, and Gleason throwing a pass to Sweeney on the two yard line, Sweeney stepping over for the touchdown.

## P. T. A. MAKES PROGRAM PLANS

### Meredosia Committee Meets; Other News Notes From Meredosia

Meredosia, Oct. 19.—At a recent meeting of the newly appointed program committee of the Parent Teacher Association, the following subject was chosen for this year's program: "The Modern Parent Knows the School." Several subjects were considered and discussed, under the subjects "The Modern Parent Knows the School" are listed subjects for study and discussion each month. A report of the District Conference held at Jacksonville will be given by Mrs. L. J. Rice at the meeting Monday evening, October 21. As a formal entertainment there will be a short play given by the Junior class.

Judge Funk, of Winchester, was a business visitor here Thursday.

Mr. and Mrs. Chas. Hobbs were visitors in Jacksonville Wednesday. L. A. Seawall made a business trip to Bluffs Thursday.

Carl Skinner, of Stanford, Conn., is spending a few days here with his parents, Mr. and Mrs. C. M. Skinner.

C. W. McLain and Mr. Foster, of Joliet, visited at the home of Mr. and Mrs. J. L. McLain over Wednesday night.

Mrs. Clyde McAllister and Mrs. C. O. Summers were visitors in Jacksonville Wednesday.

J. A. Weeks, of Arenzville, was a business visitor in this city Thursday.

Mr. and Mrs. W. L. Wilday were business visitors in Rushville Tuesday.

Mrs. C. O. Summers, Mrs. W. J. Whitlock and Miss Vivian Whitlock visited with Mrs. Della Mason, near Murrayville Tuesday.

Mrs. H. L. Lake, of Decatur, has been a visitor at the home of Mr. and Mrs. T. W. Burdick this week.

Mr. and Mrs. John Tegeder and son, Howard and family, left Wednesday morning for points in Indiana and Ohio. They are traveling by automobile and expect to be gone about a week.

Frank Skinner, of New York City, but who was formerly a boy from here, will spend the next few months in Culver City, Calif., working on musical scores for the Metro-Goldwyn-Mayer picture company.

The Trinity Woman's Guild entertained at their recent meeting at the home of Mrs. Edwin Ommen at a shower given for the recent bride, Mrs. Alpha Ommen. A pleasant time was spent and refreshments were served. Mrs. Ommen received many beautiful and useful gifts. Those in attendance were: Mrs. J. F. Heit, Mrs. D. Ommen, Mrs. Harry Ommen, Miss Louise Meier, Mrs. R. O. Duvenack, Mrs. Neil Schleker, Mrs. Laurel Hyde, Mrs. Russell Schleker, Mrs. Ben Schleker, Miss Esther Berghaus, Mrs. Edwin Ommen, Mrs. Gus Meier and Mrs. Wm. Jording, of Mt. Leonard, Mo.

Mr. and Mrs. Ben Schleker and

son, Marvin, were visitors in Jacksonville Thursday.

Mr. and Mrs. Bernard Simon and family moved this week into the Wilcox property in the north part of town.

The Benefit Bridge party given by the Ladies of St. Patrick's church at the I.O.O.F. Hall in this city Wednesday night was quite well attended. A number of tables were at play during the evening.

The American Legion members and their families will observe family night Monday evening at the Legion cabin. The refreshments will be pot-pie and members may either bring pie or sandwiches. A social for each month is an activity of the members and some nice programs are planned and enjoyed at these meetings.

Rev. W. A. Halgen has gone to Chicago where he will have charge of the services in Luther Memorial church Sunday morning so there will not be any morning worship at St. John's Lutheran church in this city.

## Ruth Robinson Will Become Bride Here

### Ceremony This Afternoon Will Unite Local Girl and Theo. Schulz

Miss Ruth Robinson, daughter of Mr. and Mrs. Asa M. Robinson, 835 North Main street, will become the bride of Theodore Schulz, son of Mr. and Mrs. Philip Schulz, Jr., 960 East College avenue, this afternoon at the Congregational church.

The ceremony will be performed by Rev. W. A. Richards, at four o'clock before the relatives and intimate friends of the bride and groom.

Miss Robinson's approaching wedding was announced several weeks ago at an evening party and since that time she has been the guest of honor at many pre-nuptial events. Both Miss Robinson and Mr. Schulz are popular with a large group of friends in the city.

Miss Robinson is a graduate of the Jacksonville High school with the class of 1929 and is at present employed in the office of Passavant hospital.

Mr. Schulz is employed as a cutter at the J. Capps and Sons factory.

Chandlerville, Oct. 19.—Funeral services for Miss Lois Lucille Brauer, daughter of Mr. and Mrs. Henry Brauer of near Oakford, were held on Friday morning at 10:30 o'clock at Mt. Olive Baptist church. Rev. W. A. Ogden of Oakford was in charge of the services. Burial was in Rose Hill cemetery at Petersburg.

Miss Brauer was the oldest daughter in the family and is survived by her sisters, Alice and Shirley, and brothers, Euell, George and Irving.

Miss Brauer graduated from the Petersburg High school in the class of '34 and had enrolled this fall in the training class for nurses in Springfield hospital where she found her new work most interesting. She was taken ill on the sixth of October and was operated on soon afterward for appendicitis. Death occurred at Springfield on Oct. 15.

Friday evening the pupils of the seventh and eighth grades assisted groups from the lower grades presented the operetta, "Hiawatha Childhood," under the direction of Miss Virginia Vasey. The part of Hiawatha was most capably taken by Morris Trowbridge and R. F. Harlison.

During the interludes the High School Glee club sang "Indian Lullaby" and Harriette Miller gave a violin solo.

ROAD HEARING IS CONTINUED

Discuss Proposal To Vacate Street On Independence Avenue

A hearing on the closing of East Independence avenue beyond Myrtle street was held at 2 o'clock Saturday afternoon by the commissioners of Road district 14, members of the city council. Some time ago the commissioners announced a plan to vacate that portion of the street.

However, residents of the community presented a petition opposing the vacating of the street and after the hearing Saturday a continuance was taken until next Thursday. Some objectors who oppose vacating the highway propose a new bridge with the city bearing half of the expense of construction and Road District No. 14 the other half. The hearing took place on the portion of street that forms the bone of controversy.

HEALTH LEAGUE TO HOLD MEET

The Morgan County Tuberculosis and Public Health League will hold a community meeting Monday night at 7:30 o'clock, in the Catholic church basement at Alexander. There will be several reels of moving pictures and an instructive health talk. The public is invited to attend.

PLEADS GUILTY

Rockford, Ill., Oct. 19.—(P)—Pleading guilty to charges of larceny and embezzlement, Ernest A. Gustafson, former secretary of the Rockford fire department, today was sentenced to serve three one-to-ten-year terms in prison. The sentences will be served concurrently.

Appearing before Circuit Judge Arthur E. Fischer, Gustafson admitted his guilt as charged in indictments returned by the grand jury earlier in the week—embezzlement of \$1,034 from the Firemen's Association, \$3,000 from the Firemen's Relief Association and \$2,000 from the pension funds.

YOUTH ELECTROCUTED

Michigan City, Ind., Oct. 19.—(P)—Twenty-one year old Richard Chapman walked unassisted to the electric chair in the state prison a few minutes after midnight this morning, and paid with his life for the murder of an Alnsworth, Ind., farmer.

He was convicted of killing Henry Nolte during a robbery on New Year's Eve, 1933. He was the second youngest person to be executed here.

at the local State Hospital; they were given a treat of candy twice this year and ice cream twice. At Christmas time the district gave a party for the men, giving them socks and candy. She also stated that the district furnishes twenty cartons of cigarettes each month to the ex-service men at the local hospital.

Mrs. Kenneth Woods, State sick call and relief chairman, reported that her committee had sent 15 cards and 12 flowers to sick members; also sent flowers for three funerals.

Mrs. F. E. Peterson, memorial chairman reported that her committee had made 340 poppies to decorate the ex-service men's graves at the cemeteries in the city Memorial Day.

Mrs. A. S. Armstrong, chairman of the Gold Star Mothers' reported that flowers had been sent to six Gold Star Mothers on Mother's Day.

Install Officers

After the reports were completed the following officers were installed and presented with officers' badges.

Mrs. Harold Wright, former district director, acting as installing officer.

President—Mrs. T. F. Craver.

1st Vice-president—Mrs. D. C. Livengood.

2nd Vice-president—Mrs. Glenn Sooy.

Secretary—Mrs. E. M. Murphy.

Treasurer—Mrs. Rex Klump.

Historian—Mrs. Kenneth Woods.

Chaplain—Mrs. Fred Brookhouse.

Sergeant-at-Arms—Mrs. Donald Williamson.

Mrs. Craver named the following chairman of committees to act for the coming year:

The social committee for the evening was Mrs. Walton Bland, Mrs. Ira Allen, Mrs. Glenn Skinner and Mrs. Glen Sooy. They had arranged a very nice program, songs having been arranged and sung honoring Mrs. Craver, Mrs. Colton and Mrs. Wright.

Mrs. Craver, Mrs. Colton was presented with a Past President's pin; Mrs. Sooy with Past Secretary's pin; Mrs. Black with Past Secretary's pin, as well as a personal gift from Mrs. Colton. The Auxiliary also presented Mrs. Wright with a lovely remembrance in appreciation of the work she has so willingly done for the Unit while 20th district director and for acting as installing officer. Mrs. Colton also very graciously presented each past officer and committee chairman with a lovely pink rosebud.

At the close of the social hour refreshments were served; Mrs. Glenn Sooy and Mrs. Ira Allen poured.

The attendance prize for the evening was won by Mrs. F. E. Peterson.

During the latter part of October and early part of November the state department of the American Legion Auxiliary is to conduct twelve schools of instruction at various places in the state; they are called the "Department Conference Caravans." One of these conferences will be held at the Legion Home in Jacksonville on October 29th, 1935. Many department officers will be present and all members are urged to attend.

## Greasy Prairie

Mr. and Mrs. Frank Loneragan were business visitors in Jacksonville Saturday.

Miss Billie Gibson, who has been spending several weeks with her sister, Mrs. Claude Dean, returned to her home near Rolla, Mo., Thursday.

## SOUTH SCOTT COUNTY POST ENJOYS OYSTER SUPPER AT ALSEY

Alsey, October 19.—The South Scott County Post of the American Legion enjoyed an oyster supper at the Ladies Aid Building in Alsey Friday night. The wives and families of the members were guests of the Legion.

Dr. Wm. O'Reilly of Winchester, County Legion Commander, gave a most interesting talk concerning the advantages of each ex-soldier in becoming a member of the American Legion. He also spoke of the splendid care and treatment given soldiers at the various Government Hospitals.

There were about forty-five Legion members and guests at the supper. It was decided to hold a pot luck supper at the Aid building for the members and their families the evening of November 15.

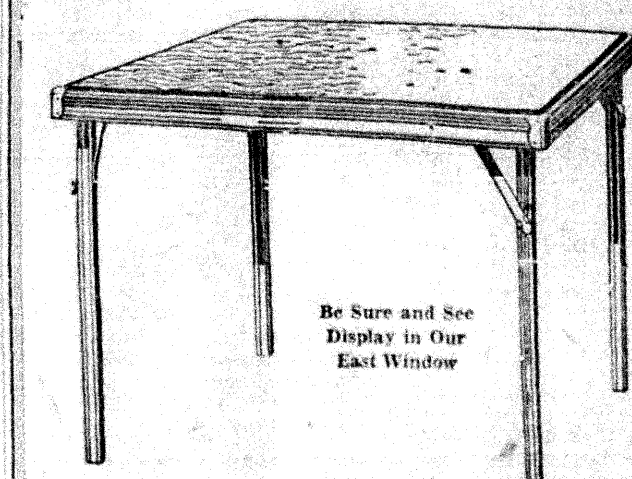

Work has started on the grading of Church Street preparatory to graveling. This road work has been much needed and will be a great improvement.

The street starting at the hard road right-of-way in the east part of town continuing to the Main Street of Alsey is to be graveled this fall.

The Opening High School Basketball game will be played in the High School gymnasium Tuesday night October 22, when the home team will meet the Peterson High School Quintette.

The citizens of Alsey turned out en masse Friday noon when the Chicago Burlington's new train, "The Mark Train," passed through Alsey on a test run.

# Special Sale of Carrom INSURED Card Tables

Be Sure and See Display in Our East Window

We know you can't fool the people of Jacksonville

We expect you to be skeptical about these amazing bridge table values. They're almost unbelievable! That's why we're not merely making claims. We want you to come in and see these tables. We want to show you the WRITTEN INSURANCE GUARANTEE, backed by one of the largest bridge table manufacturers in the world, unreservedly guaranteeing for an entire year each and every feature that makes these superior quality tables so desirable to own. And the price is only

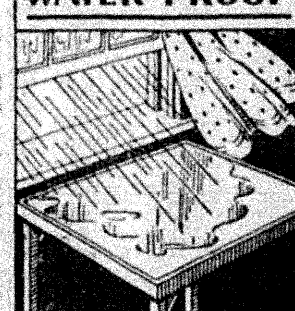

These Special Features are

\$1.95

## Water-Proof

Even boiling water will not harm the tops of these quality tables. Wet glasses will not leave rim marks. Tops can be cleaned with a wet cloth, with absolutely no fear of damage. This important feature is unconditionally INSURED for one year.

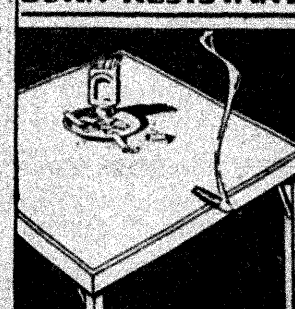

## WATER-PROOF

## Burn-Resistant

Even lighted cigars or cigarettes will not burn the tops of these superior tables. No chance of accidental damage through falling sparks or hot ashes. The Carrom INSURED Bridge Table retains its beauty of appearance because the top is positively burn-resistant. And you receive a written guarantee to back this vital superiority. This feature does not apply to colored tops.

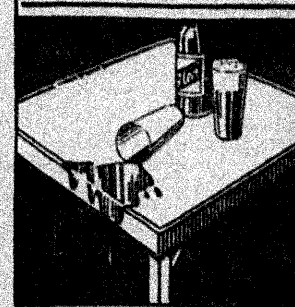

## BURN-RESISTANT

## Beverage-Proof

Accidental spilling of liquor will not disfigure the beautiful tops of these tables. The special finish is immune to the bleaching action of beverages of all descriptions. It's easy to keep the top clean and unblemished. This valuable feature, too, is INSURED for an entire year.

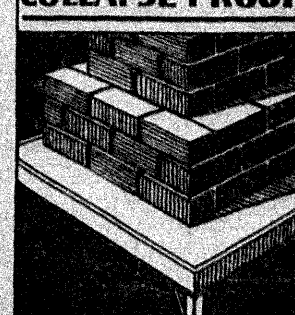

## BEVERAGE-PROOF

## Collapse-Proof

The Leg Lock is an exclusive Carrom feature. It is far superior to the conventional "jack-knife" type brace. It is fast and automatic in action, rigid and collapse-proof when the legs are opened. Light finger pressure instantly releases lock. So strong and rigid are these Carrom Tables that they will easily support several hundred pounds without collapsing.

**BEGIN HERE TODAY**  
JEAN DUNN, secretary to DONALD MONTAGUE, lawyer, delays her answer when BOBBY WALSH, a young automobile salesman, asks Jean to marry him.

At The Golden Feather which club Jean meets SANDY HARKINS, whose business connection is vague. She also meets LARRY GLINN, federal agent. Larry is trying to locate WINGY LEWIS, bank robber.

Sandy introduces Jean and Bobby to LARRY. LARRY, who is a police officer, arranges to sell some bonds for Lewis. He sells them to Jean and Bobby.

A few days later Sandy learns police are looking for him in connection with a robbery. He confesses this to Jean and she goes with him to police headquarters to establish an alibi for him at the time of the holdup.

Larry agrees to give him an answer after she returns from a vacation in her home town.

Larry locates some stolen bonds and goes to question SONNY BOYD, gambler, about them.

**NOW GO ON WITH THE STORY CHAPTER XVI**  
SONNY BOYD was a slight, nervous little man who seemed to be eternally apprehensive. He gave them a flustered little smile, said, "Hello, Mike," to Hagan, and nodded as Hagan mumbled, "Hello, Mike."

On the way to his place, Hagan had told Larry, "Sonny Boyd thinks he's a big operator, and maybe he is, but he's a yellow dog underneath. He can't take it and he never could. He'd rat, quick as a wink, if he thought anybody had anything on him."

Larry thought of this now as he looked at the little man on the other side of the desk. He decided that a bluff would do no harm.

"Mr. Boyd," he said pleasantly, "I represent the Division of Investigation of the Department of Justice."

He took a card from his pocket and dropped it in front of the policy king. Boyd picked it up and looked at it, and appeared desperately unhappy. He moistened his lips nervously and said, "Yes," said Larry. "I suppose you know about Knuckles Welsh dying?"

Boyd's lips curled contemptuously—as if he wouldn't know that! He nodded and said nothing.

"Well," said Larry, "Welsh had a little habit that maybe you didn't know about. He kept a memorandum book."

He looked steadily at Boyd. The latter moistened his lips again and said nothing. A shadow of fear appeared in his eyes.

"There was a lot of information in it," said Larry pleasantly. He paused again, to note the policy king's steadily growing apprehension.

"Welsh had a little pack of bonds," said Larry. "Fourteen thousand, five hundred dollars' worth of Atlas & Iron River Railroad fives, in \$500 denominations."

He kept his eyes fixed on Boyd's face. There was no mistaking the latter's uneasiness. As Larry named the bonds, the little man looked fairly panicky; he took out a cigar, fumbled with a sheet of matches, lit it, and puffed furiously to conceal his state of nerves. His discomfiture was so evident that Larry was emboldened to carry his bluff through.

"He had those bonds," he said, "and his little memorandum book told where he got them. Now, Mr. Boyd, Larry leaned forward—'I'd like to know just where
